1. ESGRisk.ai follows the “subscriber-pays” model. To obtain the ESG Ratings, users must subscribe to the ESG Rating for the desired companies within the current ESGRisk.ai coverage.
2. The subscriber must sign the agreement and pay the annual subscription fee to ESGRisk.ai for subscribed companies.
3. The total annual subscription fee that a subscriber needs to pay is determined by the number of companies the user wishes to subscribe to.
4. Users have the option to enter a multi-year subscription with an annual payout. Alternatively, users can choose to subscribe annually and renew before the expiration of each annual cycle to ensure uninterrupted access to ESG Ratings and detailed rationales via ESG India 360^o.
5. ESG India 360^o serves as the digital platform through which ESGRisk.ai distributes the ESG Ratings and detailed reports for each company under coverage
6. The Subscription Fee payable by the subscriber excludes taxes. Therefore, the subscriber is responsible for paying all taxes, levies, duties, etc., as per applicable law.
7. ESGRisk.ai and its employees do not accept cash payments.
8. ESGRisk.ai 's subscriber fee is not associated with ESG Rating, its revisions or releases in any manner.
9. The ESG Rating is carried out by a separate team of personnel comprising analysts who are not in any way involved in business development and procurement. The compensation paid to members of the analytical team is not linked to the ESG Rating outcome or fee received from the subscribers.
