## **Delays in periodic review**

Details of ESG ratings where the review became due but were not completed by the due date (as required under Clause 20.3.2 of the Master Circular for ESG Rating Providers)

One case-**Schaeffler India Limited** was inadvertently missed on its scheduled review date due to a timing mismatch between the Company's calendar-year reporting cycle and ERP's review cycle.

The case was subsequently identified and reviewed on **15<sup>th</sup> September 2026**

ERP has taken note of the process gap to strengthen monitoring and ensure timely review going forward.
